

Little Feet Events - 2008

Little Feet Birthday Celebrations

We are planning to have a celebration to mark the 18th Birthday of Little Feet. The event will take place in June and will involve a hash harriers trail run and then a picnic or a pub lunch. **The date has now been decided – Sunday 1st June 2008**

Skiffing* for beginners at the Dittons Skiff and Punting Club

Adrian is arranging an evening for us to try some skiffing. Why not come along and have a go? This event will take place on a Friday evening in the summer, **date to be confirmed.**

Skiffing refers to rowing in a Thames skiff – a traditional hand built clinker-built wooden craft.*

***Clinker building is a method of constructing hulls of boats and ships by fixing wooden planks and in the early nineteenth century, iron plates to each other so that the planks overlap along their edges.*

Richmond to Windsor with Bike Events Sunday 31st August

Come and enjoy a late Summer's day cycling - 37 miles on country roads from Richmond Green to Alexandra Gardens in Windsor, with an alternative 29 mile route. Both follow the river, winding along leafy lanes and through the pretty villages of the Thames Valley.

At the finish you'll find entertainment, food stalls, a beer tent, music and sports massage waiting for you. Head for the circus big top! For more information and to book your place with cycling Events go to
